MEMORANDUM FOR:

Director of Public Affairs

FROM:

Director of Central Intelligence

SUBJECT:

Westminster Speech

l. Attached is a draft speech for the Churchill lecture series at Westminster College in Fulton, Missouri. I think I want to have it released and give it as wide circulation as possible. It should probably be made available to the press with a release date for the Sunday papers, 30 October. Washington on Friday, 28 October.

2. Unless you hear from me, you can let it go as it is. If I fool with it slightly I will send changes by cable. Barring any significant changes in signals I will expect to be back in the office by noon on Friday, 28 October, but you should have it all ready to go then.

William J. Casey
